It's as simple as something that nobody knows  
That her eyes are as big as her bubbly toes  
On the feet of a queen of the hearts of the cards  
And her feet are all covered with tar balls and scars  
It's as common as something that nobody knows  
That her beauty will follow wherever she goes  
Up the hill in the back of her house in the wood  
She'll love me forever, I know she could  
I remember when you and me mmm  
How we used to be just good friends  
Wouldn't give me none but all I wanted was some  
She's got a whole lot of reasons  
She can't think of a single one that can justify leaving  
And he got none but he thinks he got so many  
problems  
Man he got, too much time to waste  
His dreams are like commercials  
But her dreams are picture perfect and  
Our dreams are so related though they're often  
underestimated  
It's as simple as something that nobody knows that  
Her eyes are as big as her bubbly toes  
On the feet of the queen of the hearts of the cards  
And her feet are infested with tar balls and  
La da da da da da  
La da da da da da da  
La da da da da da  
La da da da da da da da  
Well I was eating lunch at the D.L.G.  
When this little girl came and she sat next to me  
I never seen nobody move the way she did

Well she did and she does and she'll do it again  
When you move like a jellyfish rhythm don't mean  
nothing  
You go with the flow, you don't stop  
Move like a jellyfish rhythm is nothing  
You go with the flow, you don't stop  
It's as common as something that nobody knows it  
Her beauty will follow wherever she goes  
Up the hill in the back of her house in the wood  
She'll love me forever, I know she

La da da da da da  
La da da da da da da  
La da da da da da  
La da da da da da da da  
If you would only listen, you might just realize  
What you're missing, you're missing me  
If you would only listen, you might just realize  
What you're missing, you're missing me  
It's as simple as something that nobody knows that  
Her eyes are as big as her bubbly toes  
On the feet of the queen of the hearts of the cards  
And her feet are infested with tar balls and  
La da da da da da  
La da da da da da da  
La da da da da da  
La da da da da da da  
La da da da da da  
La da da da da da da  
La da da da da da  
La da da da da da da da
