Brittany:

Oh make me over
I'm all I wanna be
A walking study
In Demonology

Hey, so glad you could make it
Yeah, now you've really made it
Hey, so glad you can make it now

Sam:

Oh look at my face
My name is might have been

Sam and Brittany:

My name is never was

Sam:

My name's forgotten

Brittany and Sam:

Hey, so glad you could make it
Yeah, now you've really made it
Hey, there's only us left now

Brittany (With Sam):

When I wake up (in my makeup)

Brittany and Sam:

It's too early for that dress

Sam (With Brittany):

Wilted and faded (somewhere in Hollywood)

Sam and Brittany:

I'm glad I came here with your pound of flesh

Brittany:

No second billing cause you're a star now
Oh Cinderella, they aren't sluts like you

Sam:

Beautiful garbage, beautiful dresses
Can you stand up or will you just fall down?

Brittany and Sam:
You better watch out
Oh what you wish for
It better be worth it
So much to die for

Hey, so glad you could make it
Yeah, now you've really made it
Hey, there's only us left now

Brittany (With Sam):
When I wake up (in my makeup)
Have you ever felt (so used up as this?)

Sam (With Brittany):
It's all so sugarless
(Hooker, waitress)
Model, actress
(Oh just go nameless)

Brittany:
Honeysuckle
She's full of poison
She obliterated everything she kissed

Sam:
Now she's fading somewhere in Hollywood
I'm glad I came here with your pound of flesh

Sam and Brittany:
You want a part of me
Well I'm not selling cheap
No, I'm not selling cheap.
