Oh yeah, you can dance, you can jive  
Having the time of your life  
Ooh, see that girl, watch that scene  
Diggin' the dancing queen

Friday night and the lights are low  
Looking out for a place to go  
Oh, where they play the right music  
Getting in the swing  
You come to look for a king

Anybody could be that guy  
Night is young and the music's high  
With a bit of rock music  
Everything is fine  
You're in the mood for a dance

And when you get the chance

You are the dancing queen  
Young and sweet, only 17  
Dancing queen  
Feel the beat from the tambourine, oh yeah

You can dance, you can jive  
Having the time of your life  
Ooh, see that girl, watch that scene  
Diggin' the dancing queen

You're a teaser, you turn 'em on  
Leave 'em burning and then you're gone  
Looking out for another  
Anyone would do  
You're in the mood for a dance

And when you get the chance

You are the dancing queen  
Young and sweet, only 17  
Dancing queen  
Feel the beat from the tambourine, oh yeah

You can dance, you can jive  
Having the time of your life  
Ooh, see that girl, watch that scene  
Diggin' the dancing queen  
Diggin' the dancing queen

Diggin' the dancing queen
