Revvin' up your engine  
Listen to her howlin' roar  
Metal under tension  
Begging you to touch and go

Highway to the danger zone  
Right into the danger zone

Still like that old time (rock n' roll)  
That kind of music just (soothes the soul)  
I reminisce about the (days of old)  
With that old time (rock n' roll)  
Ohh!

Heading into twilight  
Spreading out her wings tonight ( Old time rock n' roll)  
She got you jumping off the deck  
And shoving into overdrive ( I like that old time rock n'  
roll)

Highway to the danger zone ( Rock n' roll)  
I'll take you right into the danger zone

Still like that old time (rock n' roll)  
That kind of music just (soothe the soul)  
I reminisce about the (days of old)  
With that old time (rock n' roll) ( Ohh)  
Still like that old time (rock n' roll)  
That kind of music just (soothe the soul)  
I reminisce about the (days of old)  
With that old time (rock n' roll) ( Yeah)  
Still like that old time (rock n' roll)  
That kind of music just (soothe the soul) ( soothe the  
soul)  
I reminisce about the (days of old)  
With that old time (rock n' roll)

I'll take you right to the

Rock n' roll
