A kiss on the hand may be quite continental
But diamonds are a girl's best friend

A kiss may be grand... but it won't pay the rental on
your humble flat or help you feed your, MEOW, pussy-
cat

Men grow cold as girls grow old
And we all lose our charms in the end
But square cut or pear shape these rocks don't lose
their shape
Diamonds are a girl's best friend

... Tiffany's!

'coz we are living in a marterial world
and i am a material girl.

come and get me boys
Black star Ross Coal
Talk to me Harry Winston tell me all about it!

There may come a time when a lass needs a lawyer
But diamonds are a girl's best friend
There may come a time when a hard boiled employer
thinks you're awful nice
But get that ice or else no dice
He's your guy when stocks are high but beware when
they start to descend
Diamonds are a girls best friend

lets make love
everythings going so well
OWWW

'coz thats when those louses go back to their spouses
Diamonds are a girl's best friend!!
