It's Christmastime,  
There's no need to afraid  
At Christmastime,  
We let in light, and we banish shade

And in our world of plenty  
We can spread a smile of joy  
Throw your arms around the world  
At Christmastime

But say a prayer-  
Pray for the other ones  
Oh, at Christmastime,  
It's hard, but when you're having fun

There's a world outside your window  
And it's a world of dread and fear  
Where the only water flowing  
Is a bitter sting of tears  
And the Christmas bells that ring  
They are clanging chimes of doom

Well, tonight thank God it's them instead of you

And there won't be snow in Africa  
This Christmastime  
(This Christmastime, no)  
The greatest gift they'll give this year is life  
(Is life)  
Where nothing ever grows  
(Nothing ever grows)  
No rain or rivers flow  
Do they know it's Christmastime at all?

Here's to you  
Raise a glass for everyone  
Here's to them  
Underneath that burning sun  
Do they know it's Christmastime at all?  
Yeah!

Feed the world

Let them know it's Christmastime and  
Feed the world  
Let them know it's Christmastime and  
Feed the world  
Let them know it's Christmastime and  
Feed the world  
Let them know it's Christmastime and  
Feed the world  
Let them know it's Christmastime and  
Feed the world  
Let them know it's Christmastime
