Sugar, sugar, mmm, ooh

She sits alone waiting for suggestions  
He's so nervous avoiding all her questions  
His lips are dry, her heart is gently pounding  
Don't you just know exactly what they're thinking?

If you want my body and you think I'm sexy  
Come on, sugar, let me know  
If you really need me, just reach out and touch me  
Come on, honey, tell me so

He's acting shy looking for an answer  
Come on, honey, let's spend the night together  
Now hold on a minute before we go much further  
Give me a dime so I can phone my mother

They catch a cab to his high rise apartment  
At last he can tell her exactly what his heart meant

If you want my body and you think I'm sexy  
Come on, sugar, let me know  
If you really need me, just reach out and touch me  
Come on, honey, tell me so

His heart's beating like a drum  
'Cause at last he's got his girl home  
Relax, baby, now we're all alone

If you want my body and you think I'm sexy  
Come on, honey, let me know  
If you really need me, just reach out and touch me  
Come on, sugar, let me know

If you want my body and you think I'm sexy  
Come on, honey, tell me so  
If you really need me, just reach out and touch me  
Come on, sugar, let me know

If you want my body
