Young teacher the subject of school girl fantasy  
She wants him so badly, knows what she wants to be  
With all the charms of a woman  
You've kept the secret of your youth  
Book markin', she's so close now, this girl is half his  
age

Don't stand, don't stand so, don't stand so close to me  
Young girl your out of your mind  
Your love for me is way out of line  
Better run girl your much to young girl

Temptation, frustration, so bad it makes him cry  
Beneath your perfume and make up  
You're just a baby in disguise  
Get outta here before you have the time to change your  
mind  
Because I'm afraid you've gone to far

Don't stand, don't stand so, don't stand so close to me  
Don't stand, don't stand so, don't stand so close to me  
Young girl your out of your mind  
Your love for me is way out of line  
Better run girl your much to young girl

Don't stand, don't stand so, don't stand so close to me  
(You're much to young girl)  
Don't stand, don't stand so, don't stand so close to me  
(You're much to young girl)
