"Every Rose Has Its Thorn"

We both lie silently still
in the dead of the night
Although we both lie close together
We feel miles apart inside

Was it something I said or something I did
Did my words not come out right
Though I tried not to hurt you
Though I tried
But I guess that's why they say

Chorus:

Every rose has its thorn
Just like every night has its dawn
Just like every cowboy sings his sad, sad song
Every rose has its thorn

Yeah it does

I listen to our favorite song
playing on the radio
