It came into my dreams last night
A great big man in red and white.
He told me that it's gonna be
A special year for you and me.

Underneath the mistletoe
Hold me tight and kiss me slow.
The snow is high so come inside
I wanna hear you say to me!

It's a very, very, merry, merry christmas.
Gonna party on 'til Santa grants my wishes.
Got my halo on I know what I want
It's who I'm with.
It's an extraordinary merry christmas!

It doesn't come as a surprise
Who's been naughty, who's been nice.
There's someone here for everyone
Another year has just begun.

Silent night, not inside
Sleigh bells ring until the light
Hearts explode, here we go
It's all like they're inside your eyes!

It's a very, very, merry, merry christmas.
Gonna party on 'til Santa grants my wishes.
Got my halo on I know what I want
It's who I'm with.
It's an extraordinary merry christmas!

Won't you meet me by the tree?
Slip away so secretly.
Can't you see how this could be?
The greatest gift of all!

It's a very, very, merry, merry christmas.
Gonna stay with you 'til Santa grants my wishes.
Got my halo on I know what I want
It's who I'm with .
It's an extraordinary merry–

very,very, merry, merry christmas!
Gonna party on 'til Santa grants my wishes.
Got my halo on I know what I want
It's who I'm with.
It's an extraordinary merry christmas!

It's a very, very, merry, merry christmas.
It's an extraordinary merry christmas!
