Rachel :

I came to win, to fight, to conquer, to thrive

I came to win, to survive, to prosper, to rise

Rachel & les filles :

To fly, to fly

Santana :

Oh yo oh

Artie :

I used to think that I could not go on

Santana :

I wish today it will rain all day

Maybe that will kinda make the pain go away

Artie :

And life was nothing but an awful song

Santana :

They got their guns out aiming at me

But I become near when they aiming at me

Blaine :

Me, me, me against them

Me against enemies, me against friends

Somehow they both seem to become one

A sea full of sharks and they all smell blood

They start coming and I start rising

Must be surprising, I'm just surmising

Blaine & Santana :

I win, thrive, soar, higher, higher, higher

More fire

Rachel & Santana :

I came to win, to fight, to conquer, to thrive

I came to win, to survive, to prosper, to rise

Blaine & New Directions :

I believe I can fly

(Rachel : Fly)

I believe I can touch the sky

I believe I can fly

(Rachel : Fly)

I believe I can touch the sky

Artie :

See I was on the verge of breaking down

Santana :

Paint they own pictures, then they crop me in

But I will remain where the top begins

Artie :

Sometimes silence can seem so loud

Santana :

'Cause I am not a word, I am not a line

I am not a girl that can ever be defined

Blaine :

I hear the criticism loud and clear

That is how I know that the time is near

See we become alive in a time of fear

And I ain't got no motherfickle time to spare

Cry my eyes out for days upon days

Such a heavy burden placed upon me

Blaine & Santana :

But when you go hard your nay's become yea's

Yankee Stadium with Jay's and Kanye's

Rachel & Santana :

I came to win, to fight, to conquer, to thrive

I came to win, to survive, to prosper, to rise

Blaine & New Directions :

I believe I can fly

(Rachel : Fly)

I believe I can touch the sky

I believe I can fly

(Rachel : Fly)

I believe I can touch the sky

(Mercedes : Touch the sky)

Blaine :

I believe I can fly

Mercedes & les filles :

Get ready for it, get ready for it, get ready for it

Artie :

Then I can do it

If I just believe it, there's nothing to it

Mercedes :

Get ready for it!

Yeah!

Blaine & New Directions :

I believe I can fly

I believe I can touch the sky

(Mercedes : Sky)

I think about it

(Rachel : Fly)

Every night and day

Spread my wings and fly away

(Mercedes : Ooh)

Artie & New Directions :

I believe I can soar

(Rachel : Fly)

(Mercedes : Get ready for it)

I see me running through that open door

(Mercedes : Get ready for it, Ooohoo)

I believe I can fly
(Rachel : Fly)
(Mercedes : Get ready for it)
I believe I can fly
