What have I done
Wish I could run
Away from this ship going under
Just trying to help
Hurt everyone else
Now I feel the weight of the world
Is on my shoulders

What can you do
When ur good isn't good enough
And all that u touch tumbles down
Cus my best intentions
Keep making a mess of things
I just wanna fix it somehow
But how many times will it take
Oh how many times will it take
For me to get it right
To get it right

Can I start again
With my faith shaken
Cus I can't go back and undo this
I just have to stay and face my mistakes
But if I get stronger and wiser
I'll get through this
What can you do
When ur good isn't good enough
And all that u touch tumbles down

Cus my best intentions
Keep making a mess of things
I just wanna fix it somehow
But how many times will it take
Oh how many times will it take
For me to get it right

So I throw up my fist
Throw a punch in the air and
Accept the truth that sometimes life isn't fair
Yea I'll send out a wish
Yea I'll send up a prayer
And finally someone will see

How much I care

What can you do
When ur good isn't good enough
And all that u touch tumbles down
Oh my best intentions
Keep making a mess of things
Just wanna fix it somehow
But how many times will it take
Oh how many times will it take
To get it right, to get it right
