What have I done? I wish I could  
Away from this ship goin' under  
Just tryin' to help, hurt everyone  
Now I feel the weight of the world is  
On my shoulders

What can you do when your good isn't good enough?  
When all that you touch tumbles down?  
'Cause my best intentions keep making a mess of  
things  
I just wanna fix it somehow

But how many it times will it take?  
Oh, how many times will it take for me?  
To get it right  
To get it ri-igh-ight

Can I start again with my faith shaken?  
'Cause I can't go back and undo this  
I just have to stay and face my mistakes  
But if I get stronger and wiser  
I'll get through this

What can you do when your good isn't good enough?  
When all that you touch tumbles down?  
'Cause my best intentions keep making a mess of  
things  
I just wanna fix it somehow

But how many it times will it take?  
Oh, how many times will it take for me?  
To get it right  
To get it ri-igh-ight

So I throw up my fist  
I will punch in the air  
And accept the truth that sometimes life isn't fair  
Yeah, I'll send out a wish  
Yeah, I'll send up a prayer  
And finally, someone will see  
How much I care!

What can you do when your good isn't good enough?  
When all that you touch tumbles down?  
'Cause my best intentions keep making a mess of  
things  
I just wanna fix it somehow

But how many it times will it take?  
Oh, how many times will it take for me?  
To get it right  
To get it ri-igh-ight
