You've got a real type of thing going down, getting down

There's a whole lot of rhythm going 'round

You've got a real type of thing going down, getting down

There's a whole lot of rhythm going 'round

We want the funk

Give up the funk

We need the funk

We gotta have that funk

We want the funk

Give up the funk

We need the funk

We gotta have that funk

Na, na, na, na, na, na

Doo, doo, doo, doo, doo, doo, oww

Na, na, na, na, na, na

Doo, doo, doo, doo, doo, doo, oww

We're gonna turn this mother out

We're gonna turn this mother out

You've got a real type of thing going down, getting down

There's a whole lot of rhythm going 'round

You've got a real type of thing going down, getting down

There's a whole lot of rhythm going 'round

You've got a real type of thing going down, getting down

There's a whole lot of rhythm going 'round

We want the funk

Give up the funk

We need the funk

(Let us in we'll turn)

We gotta have that funk

(This mother out)

We need the funk
(Let us in we'll turn)
We gotta have that funk
(This mother out)

We want the funk
Give up the funk
We need the funk
We gotta have that funk

We want the funk
Give up the funk
We need the funk
We gotta have that funk

We want the funk
Give up the funk
We need the funk
We gotta have that funk

We're gonna turn this mother out
(We want the funk, give up the funk)
We're gonna turn this mother out
(We need the funk, we gotta have that funk)

We're gonna turn this mother out
(We want the funk, give up the funk)
We're gonna turn this mother out
(We need the funk, we gotta have that funk)

We want the funk
Give up the funk
We need the funk
We gotta have that funk

We want the funk
Give up the funk
We need the funk
We gotta have that funk

We want the funk
Give up the funk
We need the funk
We gotta have that funk

We want the funk
Give up the funk
We need the funk
We gotta have that funk

Na, na, na, na, na, na

Doo, doo, doo, doo, doo, doo, doo, oww
Na, na, na, na, na, na
Doo, doo, doo, doo, doo, doo, doo, oww

You've got a real type of thing going down, getting
