Remember those walls I built  
Well, baby they're tumbling down  
and they didn't even put up a fight  
They didn't even make up a sound

I found a way to let you in  
but I never really had a doubt  
Standing in the light of your halo  
I got my angel now

It's like I've been awakened  
Every rule I had you breakin'  
It's the risk that I'm takin'  
I ain't never gonna shut you out

Everywhere I'm looking now  
I'm surrounded by your embrace  
Baby I can see your halo  
You know you're my saving grace

You're everything I need and more  
It's written all over your face  
Baby I can feel your halo  
Pray it won't fade away

I can feel your halo halo halo  
I can see your halo halo halo  
I can feel your halo halo halo  
I can see your halo halo halo

Hit me like a ray of sun  
Burning through my darkest night  
You're the only one that I want  
Think I'm addicted to your light

I swore I'd never fall again  
But this don't even feel like falling  
Gravity can't forget  
To pull me back to the ground again

Feels like I've been awakened  
Every rule I had you breakin'

The risk that I'm takin'  
I'm never gonna shut you out

Everywhere I'm looking now  
I'm surrounded by your embrace  
Baby I can see your halo  
You know you're my saving grace

You're everything I need and more  
It's written all over your face  
Baby I can feel your halo  
Pray it won't fade away

I can feel your halo halo halo  
I can see your halo halo halo  
I can feel your halo halo halo  
I can see your halo halo halo

I can feel your halo halo halo  
I can see your halo halo halo  
I can feel your halo halo halo  
I can see your halo halo halo  
Halo  
Halo

Everywhere I'm looking now  
I'm surrounded by your embrace  
Baby I can see your halo  
You know you're my saving grace

You're everything I need and more  
It's written all over your face  
Baby I can feel your halo  
Pray it won't fade away

I can feel your halo halo halo  
I can see your halo halo halo  
I can feel your halo halo halo  
I can see your halo halo halo

I can feel your halo halo halo  
I can see your halo halo halo  
I can feel your halo halo halo  
I can see your halo halo halo
