I've been alone with you inside my mind  
And in my dreams I've kissed your lips a thousand  
times  
I sometimes see you pass outside my door  
Hello, is it me you're looking for?

I can see it in your eyes  
I can see it in your smile  
You're all I've ever wanted, and my arms are open wide  
'Cause you know just what to say  
And you know just what to do  
And I want to tell you so much, I love you ...

Ohh yeahh...

I long to see the sunlight in your hair  
And tell you time and time again how much I care  
Sometimes I feel my heart will overflow  
Hello, I've just got to let you know

Is it me you're looking for?  
'Cause I wonder where you are  
And I wonder what you do  
Are you somewhere feeling lonely or is someone loving  
you?  
Tell me how to win your heart  
For I haven't got a clue  
But let me start by saying ... I love you

'Cause I wonder where you are  
And I wonder what you do (wonder what you do...)  
Are you somewhere feeling lonely or is someone loving  
you?  
Tell me how to win your heart  
For I haven't got a clue  
But let me start by saying ... I love you
