When I think of home, I think of a place
Where there's love overflowing
I wish I was home, I wish I was back there
With the things I've been knowing

Wind that makes the tall grass bend into leaning
Suddenly the raindrops that fall have a meaning
Sprinkling the scene makes it all clean

Maybe there's a chance for me to go back
Now that I have some direction
It sure would be nice to back home
Where there's love and affection

Then just maybe I can convince time to slow up
Giving me enough time in my life to grow up
Time, be my friend
(Let me start again)
Let me start again

Suddenly my world has gone and changed its face
But I still know where I'm going
(Where I'm going)
I have had my mind spun around in space
Yet I've watched it glowing

If you're listening God, please don't make it hard to
know
If we should believe in the things that we see
Tell us, should we try and stay? Or should we run
away?
(Should we stay?)
Or would it be better just to let things be?

Living here in this brand new world
(Brand new world)
Might be a fantasy, whoa
(Fantasy)
But it's taught me to love so it's real, real, real to me

And I've learned we must look
Look inside our hearts to find

Yeah, a world full of love
(World full of love)
