I'm sitting in the railstation, got a ticket for my  
destination  
Oh oh  
On a tour of one night stands n always be fl suitcase  
and guitar in hand  
And every stop is neatly planed for a poet and a one  
man band

This wave is stringing is us alone  
Alone  
Just know you're not alone  
'Cause I'm gonna make this place your home

Every day is and endless stream of cigarettes and  
magazines  
Oh oh  
And each town looks the same to me  
The movies and the factories  
And every stranger's face I see reminds that I long to  
be

The trouble, it might drag you down  
If you get lost you can always be found  
Just know you're not alone  
(Know you're not alone)  
'Cause I'm gonna make this place your home

Ah ah ah  
Where my thought's escaping  
Ah ah ah  
Where my music is playing  
Ah ah ah  
Where my love lies waiting  
Silently for me

Settle down  
It'll all be clear

The trouble, it might drag you down  
If you get lost you can always be found  
Just know you're not alone  
'Cause I'm gonna make this place your home

Oh oh oh  
Where my music is playing  
Oh oh oh  
I'm gonna make, I'm gonna make this place your home  
Oh oh oh  
Know you're not alone  
Where my music is playing

Oh oh oh  
I'm gonna make, I'm gonna make this place our home  
Oh oh oh  
Know you're not alone  
Oh oh oh
