Years go by I'm lookin' through a girly magazine
And there's my homeroom angel on the pages in-

What good is all the fame if you ain't bumping the
models
I see you driving, sports cars, ain't hitting the throttle
And I'll be down to do a hundred, top down and
goggles
Get off the freeway, exit 106 and "Park"ed it
Ash tray, flip gate, time to spark it
Gucci collar for dollar, got out and walked it
I spit game cause baby I can't talk it

Warm and fuzzy sweaters
Too magical to touch
Too see her in that negligee
Is really just too much
