There's a boy I know
He's the one I dream of ooo
Looks into my eyes
Takes me to the clouds above mm
Ooh, I lose control
Can't seem to get enough uh-huh
When I wake from dreaming
Tell me is it really love uh-huh
How will I know?
(Don't trust your feelings)
How will I know?
How will I know?
(Love can be deceiving)
How will I know?
How will I know if he really loves me
I say a prayer with every heart beat
I fall in love whenever we meet
This love is strong why do i feel weak
Oh, wake me, I'm shaking
Wish I had you near me now uh-huh
Said there's no mistaking
What I feel is really love uh-huh
Oh tell me
If he loves me, if he loves me, if he loves me, if he
loves me not
Oh yeah
If he loves me, if he loves me, if he loves me, if he
loves me not
How will I know
If he's thinking of me
I try to phone
But I'm to shy, can't speak
Falling in love is all bitter sweet
This love is strong, why do i feel weak?
How will I know if he really loves me (How will i know?
How will i know? Hey, how will i know?).
I say a prayer with every heart beat (How will? Hoo,
how will i know?)
I fall in love whenever we meet (How will i know? Yeah,
How will i know)
I'm asking you, cause you know about these things(
How will i know? yeah)

How will I know?
