Oh, why you look so sad?  
Tears are in your eyes  
Come on and come to me now

Don't be ashamed to cry  
Let me see you through  
'cause I've seen the dark side too

When the night falls on you  
You don't know what to do  
Nothing you confess  
Could make me love you less

I'll stand by you  
I'll stand by you  
Won't let nobody hurt you  
I'll stand by you

So if you're mad, get mad  
Don't hold it all inside  
Come on and talk to me now

Hey, what you got to hide?  
I get angry too  
Well I'm a lot like you

When you're standing at the crossroads  
Don't know which path to choose  
Let me come along  
'cause even if you're wrong

I'll stand by you  
I'll stand by you

Won't let nobody hurt you  
I'll stand by you  
Take me in into your darkest hour  
And I'll never desert you  
I'll stand by you

And when...  
When the night falls on you, baby

You're feeling all alone  
You won't be on your own

I'll stand by you  
I'll stand by you  
Won't let nobody hurt you

I'll stand by you  
Take me in, into your darkest hour  
And I'll never desert you  
I'll stand by you  
I'll stand by you  
Won't let nobody hurt you  
I'll stand by you  
and I'll never desert you  
I'll stand by you  
I'll stand by you  
Won't let nobody hurt you  
I'll stand by you

I'll stand by you
