One  
Two, three  
One, two, three, four

You are the girl that I've been dreaming of  
Ever since I was a little girl  
You are the girl that I've been dreaming of  
Ever since I was a little girl

One  
I'm biting my tongue  
Two  
He's kissing on you

Three  
Oh, why can't you see?  
One, two, three, four

The word's on the streets and it's on the news  
I'm not gonna teach him how to dance with you  
He's got two left feet and he bites my moves  
I'm not gonna teach him how to dance, dance, dance,  
dance

The second I do, I know we're gonna be through  
I'm not gonna teach him how to dance with you  
He don't suspect a thing, I wish he'd get a clue  
I'm not gonna teach him how to dance, dance, dance,  
dance

You are the girl that I've been dreaming of  
Ever since I was a little girl  
You are the girl that I've been dreaming of  
Ever since, ever since

One  
I'm biting my tongue  
Two  
He's kissing on you

Three

Oh, why can't you see?  
Dance, dance, dance, dance

Word's on the streets and it's on the news  
I'm not gonna teach him how to dance with you  
He's got two left feet and he bites my moves  
I'm not gonna teach him how to dance, dance, dance,  
dance

The second I do, I know we're gonna be through  
I'm not gonna teach him how to dance with you  
He don't suspect a thing, I wish he'd get a clue  
I'm not gonna teach him how to dance, dance, dance,  
dance

Dance  
One  
Two  
Three  
One, two, three, four

The word's on the streets and it's on the news  
I'm not gonna teach him how to dance with you  
He's got two left feet and he bites my moves  
I'm not gonna teach him how to  
Not going to teach him how to dance with you

How dance with you, oh, no, no  
I'm not going to teach him how to dance, dance,  
dance, dance
