There are places I remember  
All my life, though some have change  
Some forever not for better  
Some have gone, and some remain  
All these places have their moments  
With lovers and friends, I still can recall  
Some are dead and some are living  
In my life I loved them all  
But of all these friends and lovers  
There is no one who compares with you  
And these memories lose their meanings  
When I think of love as something new  
Though I know I'll never lose affection  
For people and things that went before  
I know I'll often stop and think about them  
In my life I love you more  
(Instrumental)  
Though I know I'll never lose affection  
For people and things that went before  
I know I'll often stop and think about them  
In my life I love you more  
In my life, I love you more
