This is a man's world, this is a man's world
But it wouldn't be nothing, nothing without a woman or
a girl

You see, man made the cars to take us over the road
Man made the train to carry the heavy load
Man made the electric light to take us out of the dark
Man made the boat for the water, like Noah made the
ark

This is a man's, man's, man's world
But it wouldn't be nothing, nothing without a woman or
a girl

Man thinks about little baby girls and the baby boys
Man make them happy 'cause man make them toys
And after man make everything, everything he can
Do you know that man make money to buy from other
man?

This is a man's world
But it wouldn't be nothing, nothing without a woman or
a girl

He's lost in the wilderness
He's lost in bitterness
He's lost, lost somewhere in this, in loneliness
