There were nights when the wind was so cold
That my body froze in bed if I just listened to it
Right outside the window
There were days when the sun was so cruel
That all the tears turned dust
And I knew my eyes were drying up forever
I finished crying in the instant that you left
And I can't remember where or when or how
And I banished every memory you and I had ever made
But when you touch me like this
And you hold me like that
I just have to admit that
It's all coming back to me
When I touch you like this
And you hold me like this
It's so hard to believe
But it's all coming back to me
(It's all coming back,
It's all coming back to me now)
There were moments of gold
And there were flashes of light,
There were things I'd never do again
But then they'd always seemed right
There were nights of endless pleasure,
It was more than any laws allow,
Baby, baby
If I kiss you like this
And if you whisper like that
It was lost long ago
But it's all coming back to me
If you want me like this
And if you need me like that
It was dead long ago
But it's all coming back to me
It's so hard to resist
And it's all coming back to me,
I can barely recall
But it's all coming back to me now
But it's all coming back!
But you were history with the slamming of the door
And I made myself so strong again somehow
And I never wasted any of my time on you since then

But if I touch you like this
And if you kiss me like that,
It was so long ago,
But it's all coming back to me
If you touch me like this
And if I kiss you like that,
It was gone with the wind,
But it's all coming back to me
(It's all coming back,
It's all coming back to me now)
There were moments of gold
And there were flashes of light,
There were things I'd never do again
But then they'd always seemed right
There were nights of endless pleasure,
It was more than any laws allow,
Baby, baby, baby
When you touch me like this
And when you hold me like that,
it was gone with the wind,
But it's all coming back to me
When you see me like this
And when I see you like that
Then we see what we want to see,
All coming back to me
The flesh and the fantasies,
All coming back to me,
I can barely recall
But it's coming back to me now
If you forgive me all this,
If I forgive you all that,
We forgive and forget,
And it's all coming back to me
Now...
