Oh, life is bigger
It's bigger than you
And you are not me
The lengths that I will go to
The distance in your eyes
I have said enough

That's me in the corner
That's me in the spotlight, I'm
Losing my religion
Trying to keep up with you
And I don't know if I can do it
Oh no, I've said too much
I haven't said enough
I thought that I heard you laughing
I thought that I heard you sing
I think I thought I saw you try

Every whisper
Of every waking hour I'm
Choosing my confessions
Trying to keep an eye on you
Like a hurt lost and blinded fool, fool
Oh no, I've said too much
I have said enough

I thought that I heard you laughing
I thought that I heard you sing
I think I thought I saw you try

But that was just a dream
That was just a dream

That's me in the corner
That's me in the spotlight, I'm
Losing my religion
Trying to keep up with you
And I don't know if I can do it
Oh no, I've said too much
I haven't said enough
I thought that I heard you laughing
I thought that I heard you sing

I think I thought I saw you try

But that was just a dream

Try, cry, why try?

That was just a dream

Just a dream, just a dream

Dream
