Don't call her up, anymore
cause I don't wanna hear your voice
I don't wanna see your face answer her door.
Make no mistake, she's mine, she's mine, she's
mine.

She only knows how I feel
I only know what she's like when she needs me
Oh how she needs me deep in the night
Make no mistake, she's mine, she's mine, she's
mine.

Don't get too close when you dance
cause I don't wanna hear from my friends
you were out on the town
There in her arms, there in her arms.

Don't include her in your dreams, i wanna be in her
dreams
cause I don't wanna close my eyes, close my eyes
I don't wanna know where she goes
each night when she leaves, when she leaves
make no mistake, she's mine, she's mine, she's
mine, she's mine ..

don't call her up, anymore x2 !
