I'm going to make a change
For once in my life
It's gonna feel real good
Gonna make a difference, gonna make it right
As I turned up the collar on my favorite winter coat
This wind is blowin' my mind
I see the kids in the street with not enough to eat
Who am I to be blind, pretending not to see their need?
A summer's disregard, a broken bottle top
And one man's soul
They follow each other on the wind ya know?
'Cause they got nowhere to go, that's why I want you to
know
I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change
I've been a victim of a selfish kinda love
It's time that I realize
There are some with no home, not a nickel to loan
Could it be, really mean, pretending that they're not
alone?
A willow deeply scarred, somebody's broken heart
And a washed out dream
(Washed out dream)
They follow the pattern of the wind ya see
'Cause they got no place to be that's why I'm starting
with me
I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change
I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make that change
I'm starting with the man in the mirror, oh yeah
I'm asking him to change his ways, yeah
(Come on, change)

No message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make the change
You gotta get it right, while you got the time
'Cause when you close your heart
(You can't close your, your mind)
Then you close your mind
With the man in the mirror, oh yeah
(That man, that man, that man)
I'm asking him to change his ways
(Change)
No message could have been any clearer
If you wanna make the world a better place
Take a look at yourself then make that change
I'm gonna make a change
It's gonna feel real good
Come on
(Change)
Just lift yourself
You know, you got to stop it yourself
(Yeah)
Make that change
(I gotta make that change today, oh)
(Man in the mirror)
You got to, you got to not let yourself, brother oh
Yeah, that man
(Make that change)
(I gotta make that make me then make)
You got, you got to move
Come on, come on
You got to stand up, stand up, stand up
(Make that change)
Stand up and lift yourself, now
(Man in the mirror)
Make that change
(Gonna make that change, come on)
(Man in the mirror)
You know it, you know it, you know it, you know
Change, make that change
