

# Glee "Mean"

Visit "[Mean](#)" on [MotoLyrics.com](http://MotoLyrics.com)

You, with your words like knives and swords and  
weapons that you use against me  
You have knocked me off my feet again got me feeling  
like I'm nothing  
You, with your voice like nails on a chalkboard, calling  
me out when I'm wounded  
You, pickin' on the weaker man  
Well, you can take me down with just one single blow  
But you don't know what you don't know  
Someday I'll be living in a big old city  
And all you're ever gonna be is mean  
Someday I'll be big enough so you can't hit me  
And all you're ever gonna be is mean  
Why you gotta be so mean?  
You, with your switching sides and your walk-by lies  
and your humiliation  
You, have pointed out my flaws again as if I don't  
already see them  
I'll walk with my head down trying to block you out  
'cause I'll never impress you  
I just wanna feel okay again  
I'll bet you got pushed around, somebody made you  
cold  
But the cycle ends right now 'cause you can't lead me  
down that road  
And you don't know what you don't know  
Someday I'll be living in a big old city  
And all you're ever gonna be is mean  
Someday I'll be big enough so you can't hit me  
And all you're ever gonna be is mean  
Why you gotta be so mean?  
And I can see you years from now in a bar, talking over  
a football game  
With that same big loud opinion but nobody's listening  
Washed up and ranting about the same old bitter  
things  
Drunk and grumbling on about how I can't sing  
But all you are is mean  
All you are is mean and a liar and pathetic and alone in  
life  
And mean, and mean, and mean, and mean  
But someday I'll be living in a big old city

And all you're ever gonna be is mean, yeah  
Someday, I'll be big enough so you can't hit me  
And all you're ever gonna be is mean  
Why you gotta be so mean?  
Someday, I'll be, living in a big old city  
(Why you gotta be so mean?)  
And all you're ever gonna be is mean  
(Why you gotta be so mean?)  
Someday, I'll be big enough so you can't hit me  
(Why you gotta be so mean?)  
And all you're ever gonna be is mean  
Why you gotta be so mean?
