Just shoot for the stars  
If it feels right  
And aim for my heart  
If you feel like  
You can take me away, and make it okay  
I swear I'll behave.

You wanted control  
So we waited  
I put on a show  
Now were naked  
I was born in crossfire hurricane  
And I howled at ma  
In the driving rain  
Goes like this

Take me by the tongue and I'll know you  
Kiss me till you're drunk and I'll show you  
You want the moves like jagger  
I've got the moves like jagger  
I've got the jumping jack flash, it's a gas gas gas.

I don't even try to control you  
Look into my eyes and I'll own you  
With the moves like jagger  
I've got the moves like jagger  
I've got the moooves like jagger.

I was born in crossfire hurricane  
And I howled at ma  
In the driving rain  
Goes like this.  
But it's alright now  
I'm jumping jack flash, it's a gas gas gas  
And it goes like this

Take me by the tongue and I'll know you  
Kiss me till you're drunk and I'll show you  
You want the moves like jagger  
I've got the moves like jagger  
I've got the jumping jack flash, it's a gas gas gas.

I don't even try to control you (but it's alright)  
Look into my eyes and I'll own you (but it's alright)  
With the moves like jagger (but it's alright)  
I've got the moves like jagger  
I've got the moooves like jagger.

Jumping jack flash, it's a gas gas gas
