You won't find him drinking at the tables  
Rolling dice and staying out till three  
You won't ever find him being unfaithful  
You will find him, you'll find him next to me  
You won't find him trying to chase the devil  
For money, fame, for power, out of grief  
You won't ever find him where the rest go  
You will find him, you'll find him next to me  
Next to me, Wouh Hou  
Next to me, Wouh Hou  
Next to me, Wouh Hou  
You will find him, you'll find him next to me  
When the money's spent and all my friends have  
vanished  
And i can't seem to find no help or love for free  
I know there's no need for me to panic  
Cause i'll find him, i'll find him next to me  
When the skies are grey and all the doors are closing  
And the rising pressure makes it hard to breathe  
Well, all i need is a hand to stop the tears from falling  
I will find him, I'll find him next to me  
Next to me, Wouh Hou  
Next to me, Wouh Hou  
Next to me, Wouh Hou  
I will find him, I'll find him next to me  
When the end has come and buildings falling down  
fast  
When we spoilt the land and dried up all the sea  
When everyone has lost their heads around us  
You will find him, you'll find him next to me  
Next to me, Wouh Hou  
Next to me, Wouh Hou  
Next to me, Wouh Hou  
You will find him, you'll find him next to me  
Next to me, Wouh Hou  
Next to me, Wouh Hou  
Next to me, Wouh Hou  
You will find him, you'll find him next to me
