I wanna tell you a story
About the house rent blues
I come home on a Friday
Had to tell the landlady, I done lost my job

She said that don't comfort me
Long as I get my money next Friday
Now next Friday come, I didn't get the rent
And out the door I went

One bourbon, one scotch, one beer
Well, I ain't seen my baby since I don't know when
I've been drinking bourbon, whiskey, scotch and gin
Gonna get high man, I'm gonna get loose

Need me a triple shot of that juice
Gonna get drunk, don't you have no fear
I want one bourbon, one scotch and one beer
One bourbon, one scotch, one beer

I ain't seen my baby since the night before last
Gotta get a drink man, I'm gonna get gassed
Gonna get high man, I ain't had enough
Need me a triple shot of that stuff

Gonna get drunk, won't you listen right here?
I want one bourbon, one shot and one beer
One bourbon, one scotch, one beer
I want all that

No, I ain't seen my baby since a nigh' on a week
Gotta get drunk man 'til I can't even speak
Gonna get high man, listen to me
One drink ain't enough Jack, you better make it three

I wanna get drunk, I'm gonna make it real clear
I want one bourbon, one scotch and one beer
One bourbon, one scotch, one beer

One bourbon, one scotch, one beer
One bourbon, one scotch, one beer
