Come out Virginia, don't let me wait
You Catholic girls start much too late
aw But sooner or later it comes down to fate
I might as well be the one

well, They showed you a statue, told you to pray
They built you a temple and locked you away
Aw, but they never told you the price that you pay
For things that you might have done.....
Only the good die young
thats what i said
only the good die young x2

You might have heard I run with a dangerous crowd
We ain't too pretty we ain't too proud
We might be laughing a bit too loud
aw But that never hurt no one

So come on Virginia show me a sign
Send up a signal and I'll throw you the line
The stained-glass curtain you're hiding behind
(you know)
Never lets in the sun
darlin only the good die young
woah
i tell ya
only the good die young x2

You got a nice white dress and a party on your
confirmation
You got a brand new soul
mmmm, And a cross of gold
But Virginia they didn't give you quite enough
information
You didn't count on me
When you were counting on your rosary
(oh woah woah)

They say there's a heaven for those who will wait
Some say it's better but I say it ain't
I'd rather laugh with the sinners than cry with the saints
the sinners are much more fun...

you know that only the good die young
thats what i said
i tell ya
only the good die young, X2

well your mother told you all that I could give you was a
reputation
Aww She never cared for me
But did she ever say a prayer for me? oh woah woah

Come out come out come out virgina dont let me wait,
You Catholic girls start much too late
Sooner or later it comes down to fate
I might as well be the one,
You know that only the good die young

I'm telling you baby
You know that only the good die young
Only the good die young
Only the gooooooooooooooooooooo
Only the good die young
Only the gooooooooooooooooooooo
Only the good die young
Ooooooooooooooooooooooooooooo oooooooooooooo
ooooooooooooo...

(Only the good die young)x2
