[Finn]

Well I remember every little thing
As if it happened only yesterday
Parking by the lake
And there was not another car in sight
And I never had a girl
Looking any better than you did
And all the kids at school
They were wishing they were me that night

[Puck]

And now our bodies are oh so close and tight
It never felt so good, it never felt so right

[Kurt/Blaine]

And we're glowing like the metal on the edge of a knife
Glowing like the metal on the edge of a knife

[Blaine]

C'mon! Hold tight!
C'mon! Hold tight!

[Santana]

Though it's cold and lonely in the deep dark night

[Blaine]

I can see paradise by the dashboard light

[Blaine]

Though it's cold and lonely in the deep dark night

[Mercedes]

In the deep dark night

[Finn]

Paradise by the dashboard light

[Everybody]

We're gonna go all the way tonight

We're gonna go all the way

Tonight's the night...

We're gonna go all the way tonight

We're gonna go all the way

Tonight's the night...

We're gonna go all the way tonight

We're gonna go all the way

Tonight's the night...

We're gonna go all the way tonight

We're gonna go all the way

Tonight's the night...

[Rachel]

Stop right there!
I gotta know right now!
Before we go any further!
Do you love me?
Will you love me forever?
Do you need me?
Will you never leave me?
Will you make me so happy for the rest of my life?
Will you take me away and will you make me your wife?
[Finn]
Let me sleep on it
Baby, baby let me sleep on it (Sleep on it)
Let me sleep on it
And I'll give you an answer in the morning
[Rachel]
I gotta know right now!
Do you love me?
Will you love me forever?
Do you need me?
Will you never leave me?
Will you make me so happy for the rest of my life?
Will you take me away and will you make me your wife?
Do you love me?
Will you love me forever?
[Finn]
Let me sleep on it
[Rachel]
Will you love me forever?
[Finn]
Let me sleep on it
[Rachel]
Will you love me forever?
[Finn]
I couldn't take it any longer
Lord I was crazed
And when the feeling came upon me
Like a tidal wave
I started swearing to my god and on my mother's
grave
That I would love you to the end of time
I swore that I would love you to the end of time!
[Finn]
So now I'm praying for the end of time
To hurry up and arrive
'Cause if I gotta spend another minute with you
I don't think that I can really survive
I'll never break my promise or forget my vow
But God only knows what I can do right now
I'm praying for the end of time
It's all that I can do
[Mercedes]

All that I can do

[Finn]

Praying for the end of time,

So I can end my time with you!

[Finn/Rachel]

It was long ago and it was far away (It never felt so
good it never felt so right)

And it was so much better that it is today (We were
glowing like the metal on the edge of a knife)

It was long ago and it was far away (It never felt so
good it never felt so right)

And it was so much better that it is today (We were
glowing like the metal on the edge of a knife)

It was long ago and it was far away (It never felt so
good it never felt so right)

And it was so much better that it is today (We were
glowing like the metal on the edge of a knife)

[Finn/Rachel]

Felt so right

Felt so good
