Now a red solo cup is the best receptacle  
For barbecues tailgates fairs and festivals  
And you sir do not have a pair of testicles  
If you prefer drinking from glass

A red solos cup is cheap and disposable  
And in 14 years they are decomposable  
And unlike my home they are not for closable  
Freddie-Mac can kiss my ass woo

Red solo cup I fill you up  
Lets have a party lets have a party  
I love you red solo cup I lift you up  
Proceed to party proceed to party

Now I've seen you in blue and I've seen you in yellow  
But only you red will do for this fellow  
Cuz you are my Abbot to my Costello  
And you are the fruit to my loom

Red solo cup your more than just plastic  
You're more than amazing you're more than fantastic  
And believe me when i'm not the least bit sarcastic  
when i look at you and say:

"Red solo cup, your not just a cup. You're my, you're my  
friend. (life long) Thank you, for being my friend.

Red solo cup I fill you up  
Lets have a party lets have a party  
I love you red solo cup I lift you up  
Proceed to party proceed to party

Repeat chorus 3 times
