See, I really couldn't sing  
I could never really sing  
What I couldn't do was (sing)

I have trouble with the (note)  
It goes all around my (throat)  
It's a terrifying (thing)

See, I really couldn't hear  
Which note was lower or was (higher)  
Which is why I disappear  
If someone says, "Let's start a (Choir)"  
Hey, when I begin to (squeak)  
It's a across between I (shriek)  
And a quiver or I (moan)  
It's a little like a (croak)  
Or the record player (broke)  
What it doesn't have is (tone)

Oh, I know you're thinking what a crazy (ding-a-ling)

But I really couldn't (sing)  
I could never really (sing)  
What I couldn't do was (sing)

Three blind mice  
(Three blind mice)  
It isn't intentional!  
He's doing his best!

Jingle bells, jingle bells  
Jingle bells, jingle bells  
It really blows my mind  
He gets depressed!

But what I lack in pitch  
I sure make up in (power)

And all my friends say  
I am perfect for the shower  
Still, I'm terrific at a (dance)  
Guys are comin' in their (pants)

I'm a birdie on the (wing)  
But when I begin to (chirp)  
They say, "Who's the little (twerp)  
Goin' 'pong' instead of (ping)  
And when Christmas comes  
And all my friends go (caroling)  
It is so dishearten  
(ning)  
It is so disquiet  
(ting)  
It is so discourage  
(ging)  
Darling, please stop answer  
(ring)  
See, I really couldn't  
(sing)  
I could never really  
(sing)  
What I couldn't do was

Do re mi fa sol la si do  
Do re mi fa sol la si do  
La  
La!  
La  
La!  
Sing, sing, sing  
Sing, sing, sing
