When you first left me,
I was wanting more.
You were kissing that girl next door
What you do that for? (What you do that for?)

When you first left me,
I didn't know what to say.
I have never been on my own that way,
Just sat by myself all day

I was so lost back then,
But with a little help from my friends,
I found a light in the tunnel at the end

And now you're calling me up on the phone.
So you can have a little whine and a moan.
And its only because you're feeling alone.

At first, when I see you cry, yeah it makes me smile,
yeah it makes me smile
At worst, I feel bad for awhile, but then I just smile, I go
ahead and smile

Whenever you see me,
You say that you want me back.(want me back)
And I tell you it don't mean jack,(don't mean jack)
No it don't mean jack (no it don't mean jack)

I couldn't stop laughing,
No I just couldn't help myself,
See, you messed up my mental health,
I was quite unwell

I was so lost back then,
But with a little help from my friends,
I found a light in the tunnel at the end

Now you're calling me up on the phone,
So you can have a little whine and a moan,
And its only because you're feeling alone

At first,

When I see you cry,
Yeah it makes me smile,
Yeah it makes me smile
At worst, I feel bad for awhile,
but then i just smile,
I go ahead and smile

[lalalalala]

At first,
When I see you cry,(see you cry)
Yeah it makes me smile,(makes me smile)
Yeah it makes me smile (makes me smile)
At worst, I feel bad for awhile, (feel bad for awhile)
But then I just smile (but then i just smile),
I go ahead and smile(go ahead and smile)

At first.
When I see you cry,(see you cry)
Yeah it makes me smile,(makes me smile)
Yeah it makes me smile (yeah it makes me smile)
At worst, I feel bad for awhile,(feel bad for awhile)
but then I just smile(smile),
I go ahead and smile(go ahead and smile)
