[Sam and Brittany:]  
I know I stand in line,  
Until you think you have the time  
To spend an evening with me

And if we go some place to dance  
I know that there's a chance  
You won't be leaving with me

And afterwards we drop into a quiet little place  
And have a drink or two  
And then I go and spoil it all  
By saying something stupid  
Like: "I love you"

I can see it in your eyes  
That you still despise the same old lines  
You heard the night before

And though it's just a line to you  
For me it's true  
It never seemed so right before

I practice every day  
To find some clever lines to say  
To make the meaning come true

But then I think I'll wait  
Until the evening gets late  
That I'm alone with you

The time is right  
Your perfume fills my head  
The stars get red  
And oh, the night's so blue

And then I go and spoil it all  
By saying something stupid  
Like: "I love you"

The time is right

Your perfume fills my head  
The stars get red  
And oh, the night's so blue

And then I go and spoil it all  
By saying something stupid  
Like: "I love you"

"I love you"

"I love you"

"I love you"
