Here We Go!
Stop! In the name of love
Before you break my heart
(free your mind)
Stop! In the name of love
Before you break my heart
(Think it over)

I wear tight clothing, high heeled shoes
It doesn't mean that I'm a prostitute, no no
I like rap music, wear hip hop clothes
That doesn't mean that I'm out sellin' dope no no no

Before you can read me
you gotta learn how to see me, I said

Stop! In the name of love
Before you break my heart
(free your mind)
Stop! In the name of love
Before you break my heart
(Think it over)
Free your mind and the rest will follow
(Think it over)
Be color blind, don't be so shallow

I've known of your was secluded nights
I've even seen her maybe once or twice
But is her sweet expression
Worth more than my love and affection ?
(aaaaaah)

Before you can read me
You gotta learn how to see me, I said

Stop! In the name of love
Before you break my heart (inside, inside)
Stop! In the name of love

Before you break my heart
(Think it over)

Free your mind and the rest will follow
Be color blind, don't be so shallow
(Think it over)
Free your mind and the rest will follow
Be color blind, don't be so shallow
(don't break my, break my heart)

Stop! Stop! In the name of love
Free your mind stop!
Free your mind stop!
Oh free Your Mind

Before you can read me
You gotta learn how to see me
I said :

Stop! In the name of love
Before you break my heart
(Before you break my heart)
(Free your Mind)
Stop! In the name of love
Before you break my heart
(Free your Mind)
Stop! and the rest will follow
Be color blind, don't be so shallow
(Free your Mind)
Stop! and the rest will follow
Be color blind, don't be so shallow

Baby, think it over
Free Your Mind
and the rest will stop
