Here we go

Stop in the name of love
Before you break my heart
(Free your mind)
Stop in the name of love
Before you break my heart
Think it over

I wear tight clothing, high heeled shoes
It doesn't mean that I'm a prostitute, no, no
I like rap music, wear hip hop clothes
That doesn't mean that I'm out sellin' dope, no, no, no

Before you can read me
You got to learn how to see me, I said

Stop in the name of love
Before you break my heart
(Free your mind)
Stop in the name of love
Before you break my heart
Think it over

Free your mind and the rest will follow
(Think it over)
Be color blind, don't be so shallow

I've known of your, your secluded nights
I've even seen her maybe once or twice
But is her sweet expression
Worth more than my love and affection?

Before you can read me
You got to learn how to see me, I said

Stop in the name of love
Before you break my heart
(Inside, inside)
Stop in the name of love
Before you break my heart
Think it over

Free your mind and the rest will follow
Be color blind, don't be so shallow
(Think it over)
Free your mind and the rest will follow
Be color blind, don't be so shallow
(Don't break my, don't break my heart)

Stop, stop in the name of love
Free your mind, stop
Free your mind, stop
Oh, free your mind

Before you can read me
You got to learn how to see me, I said

Stop in the name of love
Before you break my heart
(Free your mind)
Stop in the name of love
Before you break my heart

Free your mind and the rest will follow
Be color blind, don't be so shallow
(You've got to be)
Stop and the rest will follow
Be color blind, don't be so shallow

Stop in the name of love
Before you break my heart
(Free your mind)
Stop in the name of love
Before you break my heart

Think it over
Free your mind
And the rest will stop
