Yeah, Whoa

I know you love me and everything
Another place for everyone
Get up, and dance, shake your body
I love the you know, oh-oh-oh
We're Gonna Do It All Over Again

{Chorus}
It's a crazy life and I like it.
When we're together it's like BIG.
I'm the one that makes it go.
You're the one. I should know.
Everybody wants to go,
So take one.
(take one)

Never knew I needed everything
I'm so in love
Get in touch with everyone
I'm gonna get in touch, oh-oh-oh
We're Gonna Do It All Over Again

{Chorus}
It's a crazy life and I like it.
When we're together it's like BIG.
I'm the one that makes it go.
You're the one. I should know.
Everybody wants to go,
So take one.

We're Gonna Do It All Over Again

{Chorus}
It's a crazy life and I like it. When we're together it's like
BIG.
I'm the one that makes it go.
You're the one. I should know.
Everybody wants to go,
Everybody wants to go,
Everybody wants to go,
So take one.
