The first time ever I saw your face
I thought the sun rose in your eyes
And the moon and the stars were the gifts you gave
To the dark and the end of the skies (my love)

And the first time ever I kissed your mouth
I thought the earth moved in my hand
Like the trembling heart of a captive bird
That was there at my command (my love)

And the first time ever I lay with you
I felt your heart so close to mine
And I knew our joy would fill the earth
And last till the end of time (my love)

And the first time ever I saw your face
your face, your face
your face
