This is how we do it!
(Ohhh..this is how we do it)
Oh oh oh.. this is how we do it)
Yeahh..oh oh oh
This is how we do it.
Its Friday night, and i feel alright
The party is here on the west side
So reach for my 40 and i turn it up
Designated driver take the keys to my truck
Hit the shore cause i'm faded
Honeys in the street say, monty, yo we made it!
It feels so good!
.....
....
This is how we do it!
(ohhh..This is how we do it)
La ra ra ra ra..
