Off with your head
D-dance, dance, dance 'til you're dead
I'm off, off, off with your head
D-dance, dance, dance 'til you're dead
I'm off, off, off with your head

It's close to midnight
And something evil's lurking in the dark
Under the moonlight
You see a sight that almost stops your heart

You try to scream
But terror takes the sound before you make it
(Heads will roll, heads will roll)
You start to freeze
As horror looks you right between the eyes
You're paralyzed

'Cause this is thriller, thriller night
And no one's gonna save you from the beast that's
'bout to strike
You know it's thriller, thriller night
You're fighting for your life inside a killer, thriller
tonight

Off with your head
D-dance, dance, dance 'til you're dead
I'm off, off, off with your head
D-dance, dance, dance 'til you're dead
Thriller night

Ooh, you hear the door slam
And realize there's nowhere left to run
You feel the cold hand
And wonder if you'll ever see the sun

You close your eyes
And hope that this is just imagination
(Heads will roll, heads will roll)
But all the while
You hear the creature creeping up behind, you're out of
time

Thriller, thriller night
There ain't no second chance against the thing with
forty eyes, girl
Thriller, thriller night
You're fighting for your life inside a killer, thriller
tonight

Off with your head
D-dance, dance, dance 'til you're dead
I'm off, off, off with your head
D-dance, dance, dance 'til you're dead

Darkness falls across the land
The midnight hour is close at hand
Creatures crawl in search of blood
To terrorize y'all's neighborhood

And though you fight to stay alive
(Off with your head)
Your body starts to shiver
(Dance 'til you're dead)

For no mere mortal can resist
(Heads will roll, heads will roll)
The evil of the thriller
(Heads will roll all the way)

Thriller night
'Cause this is thriller, thriller night
Girl, I can thrill you more than any ghost would ever
dare try
Thriller, thriller night
So let me hold you tight and share a killer, thriller, ow,
tonight

Off with your head
D-dance, dance, dance 'til you're dead
I'm off, off, off with your head
D-dance, dance, dance 'til you're dead
I'm off, off, off with your head
