Close enough to start a war  
All that I have is on the floor  
God only knows what we're fighting for  
All that I say, you always say more

I can't keep up with your turning tables  
Under your thumb, I can't breathe

So, I won't let you close enough to hurt me  
No, I won't ask you, you to just desert me  
I can't give you what you think you gave me  
It's time to say goodbye to turning tables  
To turning tables

Under her disguise, I see you, ooh  
Where love is lost, your ghost is found  
I braved a hundred storms to leave you  
As hard as you try  
No, I will never be knocked down

I can't keep up with your turning tables  
Under your thumb, I can't breathe

So, I won't let you close enough to hurt me  
No, I won't ask you, you to just desert me  
I can't give you what you think you gave me  
It's time to say goodbye to turning tables  
To turning tables

Next time I'll be braver, I'll be my own savior  
When the thunder calls for me  
Next time I'll be braver, I'll be my own savior  
Standing on my own two feet

I won't let you close enough to hurt me  
No, I won't ask you, you to just desert me  
I can't give you what you think you gave me  
It's time to say goodbye to turning tables  
To turning tables

Turning tables, yeah, yeah  
Turning, yeah
