You can't touch this
You can't touch this
You can't touch this
You can't touch this

My, my, my, my
Music hits me so hard
Makes me say, "Oh my Lord thank you for blessing me"
With a mind to rhyme and two hyped feet

It feels good when you know you're down
A superdope homeboy from the Oaktown
And I'm known as such and this is a beat
You can't touch

I told you homeboy
You can't touch this
Yeah, that's how we livin' and you know
You can't touch this

Look in my eyes man
You can't touch this
Yo, let me bust the funky lyrics
You can't touch this

Fresh new kicks and pants
You got it like that, now you know you wanna dance
So move out of your seat and get a fly girl and catch
this beat
While it's rolling hold on, pump a little bit and let 'em
know it's going on

Like that, like that
Cold on a mission so fall on back
Let 'em know that you're too much
And this is a beat you can't touch

Yo, I told you
You can't touch this
Why you standing there man?
You can't touch this
Yo, sound the bells, school is in sucker

You can't touch this

Give me a song or rhythm
Making 'em sweat, that's what I'm giving 'em now
They know you talk about the Hammer
Or you're talking about a show

That's hyped and tight
Singers are sweating, so pass them a wipe or a tape to
learn
What it is going to take in the '90's to burn the charts
Legit either work hard or you might as well quit

That's the word because you know
You can't touch this
You can't touch this
Break it down
Stop! Hammer time

Go with the flow it is said
That if you can't groove to this then you probably are
dead
So wave your hands in the air
Bust a few moves run your fingers through your hair

This is it for a winter
Dance to this an' you're gonna get thinner
Move slide your rump just for a minute let's all do the
bump
Bump, bump, bump

Yeah, you can't touch this
Look man, you can't touch this
You better get hyped boy 'cause you know ya can't
You can't touch this

Ring the bell, school's back in
Break it down
Stop! Hammer time

You can't touch this
You can't touch this
You can't touch this
Break it down
Stop! Hammer time

Every time you see me, the Hammer's just so hyped
I'm dope on the floor and I'm magic on the mic
Now why would I ever stop doing this?
When others making records that just don't hit

I've toured around the world from London to the Bay
It's Hammer, go Hammer, M.C.Hammer, yo Hammer
And the rest can go and play
Can't touch this

You can't touch this
You can't touch this
Yeah, you can't touch this
I told you, you can't touch this

Too hype
You can't touch this
Yo we outta here
You can't touch this
