Quinn and Artie:

Oh we up up up for the glow show
yeah weâ€™re down down here on the ground
Yeah we up up up above love
Yeah we up up up in the clouds
Yeah we up, yeah we up, yeah we up, yeah we up

Artie:

You gonna find a way, find a way to be
You gonna get yourself aligned with your own mind
You gonna get it free, yeah (x2)

Quinn:

Cause itâ€™s the way now, way to see
Well itâ€™s inside and out with no doubt
Itâ€™s in everything, Itâ€™s in everything

Quinn and Artie:

Oh we up up up for the glow show
yeah weâ€™re down down here on the ground
Yeah we up up up above love
Yeah we up up up in the clouds
Yeah we up, yeah we up, yeah we up, yeah we up

Artie:

You gonna find your way, find your way to be
Yeah, you gonna get yourself aligned with your own
spine
and youâ€™ll get it free, youâ€™ll get it free

Quinn:

Itâ€™s the way now, way to see
Well in the moment it comes and it goes
Yeah itâ€™s in everything, itâ€™s in everything

Quinn and Artie:

Oh we up up up for the glow show
yeah weâ€™re down down here on the ground
Yeah we up up up above love
Yeah we up up up in the clouds
Yeah we up, yeah we up, yeah we up, yeah we up,
Whooo!

Yeah we up up up for the glow show
yeah weâ€™re down down down here on the ground
Yeah we up up up above love
Yeah we up up up in the clouds
Yeah we up up up for the glow show
yeah weâ€™re down down down here on the ground

Yeah we up up up up above love
Yeah we up up up in the clouds
Yeah we up
Yeah we up up up for the glow show
yeah weâ€™re down down down here on the ground
Yeah we up up up up above love
Yeah we up up up in the clouds
Yeah we up, yeah we up, yeah we up, yeah we up, (up,
up, up) Whooo!
