[Puck]

So long

I've been looking too hard, I've waiting too long

Sometimes I don't know what I will find

I only know it's a matter of time

When you love someone

When you love someone

It feels so right, so warm and true

I need to know if you feel it too

Maybe I'm wrong

Won't you tell me if I'm comin' on too strong?

This heart of mine has been hurt before

This time I wanna be sure

I've been waitin' for a girl like you

To come into my life

I've been waitin' for a girl like you

And a love that will survive

I've been waitin' for someone new

To make me feel alive

Yeah, waitin' for a girl like you

To come into my life
