yellow diamonds in the light
and we're standing side by side
as your shadow crosses mine
what it takes to come alive
it's the way i'm feeling i just can't deny
but i've gotta let it go

santana with rachel:

we found love in a hopeless place
we found love in a hopeless place
we found love in a hopeless place
we found love in a hopeless place

santana:

shine a light through an open door
love and life i will divide
turn away cause i need you more
feel the heartbeat in my mind
rachel with new directions:

it's the way i'm feeling i just can't deny
but i've gotta let it go

santana with rachel and new directions:

we found love in a hopeless place
we found love in a hopeless place
we found love in a hopeless place
we found love in a hopeless place

rachel:

yellow diamonds in the light (santana: in the light)
and we're standing side by side (santana: oh)
as your shadow (with santana: crosses mine...)

rachel and santana with new directions:

(santana: we found love!)
we found love in a hopeless place

we found love in a hopeless place
we found love in a hopeless place
we found love in a hopeless place
we found love in a hopeless place
we found love in a hopeless place
we found love in a hopeless place
we found love in a hopeless place
