Haul out the holly
Put up the tree before my spirit falls again
Fill up the stocking
I may be rushing things, but deck the halls again now
For we need a little Christmas
Right this very minute
Candles in the window
Carols at the spinet
Yes, we need a little Christmas
Right this very minute
It hasn't snowed a single flurry
But Santa, dear, we're in a hurry
So climb down the chimney
Put up the brightest string of lights I've ever seen
Slice up the fruitcake
It's time we hung some tinsel on that evergreen bough
For I've grown a little leaner
Grown a little colder
Grown a little sadder
Grown a little older
And I need a little angel
Sitting on my shoulder
Need a little Christmas now
Haul out the holly
The ones that taught you all to
Live each living day
Fill up the stocking
But Auntie Mae!
It's one week
Past Thanksgiving day now
But we need a little Christmas
Right this very minute
Candles in the window
Carols at the spinet
And we need a little Christmas
Right this very minute
It hasn't snowed a single flurry
But Santa, dear, we're in a hurry
So climb down the chimney
It's been a long time since I've
Done the neighbourly
Slice up the fruitcake

It's time we hung some tinsel on that may-berry bough
But we need a little Christmas
Right this very minute
Candles in the window
Carols at the spinet
And we need a little Christmas
Right this very minute
We need a little Christmas now!
We need a little Christmas now!
We need a little Christmas now!
